Pension Application of Richard Harrison R14762 VA Half-Pay
Transcribed and annotated by C. Leon Harris.

I certify that Richard Harrison did receive from Oliver Pollock Esq’. agent for Congress at New Orleans in the years (1776 1777 1778 1779 & 1780) a commission (by authority from Congress or the Governor of Virginia) as a Lieutenant in the army of the United States. That he departed from New Orleans in the year 1777 or 1778 (to the best of my recollection) with several other officers and a few volunteers with orders to join Col. Roger Clark [sic: George Rogers Clark] then commanding on the Ohio & Mississippi Rivers and have every reason to believe that he did serve under Col. (since Gen’l) Clarke in his expeditions against Kaskaskia [July 1778] & other places on the Mississippi & Illinois either as a Lieut. or Captain in the Army that I was well acquainted with said Harrison both before his departure from New Orleans and his return after the war to Natchez where he died & left a large family, with one of his sons Philip B. I am personally acquainted

Given under my hand at Natchez this Fifteenth day of March 1833

Pension Office/ February 18, 1845

I certify that I have examined the claim of the administrator of the late Richard Harrison, who was a Lieutenant of Artillery of the Virginia State Troops, who asks for the difference between the half-pay of a Lieutenant of Artillery, and that of a Lieutenant of Infantry, and that the half-pay may commence on the 1st of January 1782 instead of the first of August 1782. It appears that under the act of the 5th of July 1832, entitled “an act to provide for liquidating and paying certain claims of the State of Virginia,” he has
been already paid for the service of said Harrison as a Lieutenant of Infantry commencing on the 1\textsuperscript{st} of August 1782. My opinion is that the claim should be allowed as a Lieutenant of Artillery at the rate of two hundred dollars per annum, commencing on the first of January 1782, when he left the service, and ending on the 29\textsuperscript{th} December 1799, when he died, deducting what has already been paid, and that the amount is payable to William H. Todd, attorney of P. B. Harrison, administrator of Richard Harrison
