A warrant for 4000 Acres iss’d to George Elliott the first day of June 1788.

An Exam’d Copy f’m Record C. L. Pendleton 1st Clk L. Office July 4th 1832.

By the Books of my Office the Auditor of Public Accounts has Settled with Geo. Elliott as a Captain of the Navy from January 1st 1777 to the 1st of March 1780. Commission dated 22d July 1776.

May 30th 1788. And Dunscomb Com’r &c

The Petition of the Heirs of Capt George Elliott respectfully states, that he was a Captain in the Navy of Virginia during the Revolution & rec’d a land warrant No. 4403 for 4000 acres of land only altho’ he was allowed by the Executive the same bounty that other Captains in the navy were.

He was Reported by the Board in 1784 as one of the Captains of the navy entitled to ½ pay for service to the end of the war.

Yet by some accident he drew 4000 acres only when almost every other Captain of the navy (except Capt Tompkins) had rec’d more.

The Register however will not issue a warrant for the additional 1333 1/3 acres without another order from the Executive.

Your petitioners are informed the Executive has in several cases, where Captain in the navy had recd 4000 acres only allowed the additional 1333 1/3 and particularly have in a recent case, allowed Captain John Thomas [R100] heirs 1333 1/3 acres, upon no other evidence than that filed when the claim was first presented in 84 or ‘83.

Y’r Petitioners pray that they may be allowed the same bounty given to other Captains in the Navy. Especially as their Ancestor was one of the oldest Captains of the navy.

all of which is respectfully submitted Th. Green atto for the Heirs

Petition for additional bounty land.

The Heirs of Captain George Elliott – S. Navy.

The heirs of Captain Elliott are entitled to the additional bounty land, which they claim.

He received 4000 acres of land. He was entitled to 5333 1/3 acres, for a service of three years. He ought to have receivd the proportion of land allowed a major in the land service. He commanded the Safeguard Gally for some time: and the officers & men on board that vessel, in the year 1777, were at least Eighty two, besides the Company of marines. The number of men in the Safeguard, at the time above mention’d, has been ascertain’d to be at least 82 by an examination of the navy Journals, and Vol. I of Navy Papers – as he commanded more than 70 men, he ought to have receivd, for a service of 3 years, 5333 1/3 acres of land.
Captain Elliott was Captain in the navy, before July 1776, and was in service to the end of the war. He was reported by a Board of officers in 1784 entitled to half pay, and “since dead” – His heirs appear to be entitled to the additional bounty of 1/6th of all former Bounties, for every years service over Six years. (see Supplement to printed list No 5.)

If yr. Excellency should allow Bounty land; it ought to be allowd for a service as Captain in the navy (major in the land service) from July 1776 to the end of the war – subject to a deduction of 4000 acres of land already receivd.

Respectfully submitted/ John H Smith Com’r &c
To his Excellency May 7th 1834
Gov’r [Littleton Waller] Tazewell

The Memorial of Alexander Elliott for himself and the other heirs of Capt George Elliott of the Va. Navy in the Revolution respectfully states; That the land bounty for 6 years service has heretofore been allowed them – But he was in service from a period at least as early as the 22 July 1776 to the end of the war 3 Nov 83. See Comm. Smiths Report. Document No. 6 in Journals House of Del 1835-6 and the references made by Mr. Smith.

Your memorialists pray an additional allowance for the services of Capt. Elliott from 22 Jul 76 to 3 Nov 83 as a Captain in the Va. Navy after deducting what has already been rec’d.

Which is respectfully submitted by Thomas Green Atto. for the heirs

To the Executive of the State of Virginia  [25 March 1844, Garrard County KY]

The memorial of George Elliott of Garrard County Kentucky a son of George Elliott deceased a Captain in the State Navy of Virginia in the Army of the Revolution.

Your memorialist will respectfully represent; That he is near Seventy Eight years of age and is a son of George Elliott deceased who was a Captain in the State Navy of Virginia in the Army of the Revolution and served from the latter part of the year 1775, or first of the year 1776 until the final close of the war.

Your memorialist knows of his own knowledge that his said Father left his home in Rockbridge County Virginia in the winter season to enter the service but cannot say in what capacity he entered, nor the exact date of his entering. The Father of your memorialist previous to his entering the service, had for some time been engaged extensively in the milling business and had a saw mill – grist mill – fulling mill – and an establishment for the hackling of hemp &c on one stream, and in the winter when they were in operation, and the water high – the tow from one of the hackles took fire and burnt down the fulling mill hackling establishment &c – whereupon the deceased Father of your memorialist immediately left his home and entered the service of the United States at the time above stated

The deceased Father of your memorialist on account of his said service was granted about the year 1788 an allowance of Land Bounty by the Commonwealth of Virginia for 4000 acres as a portion of the original Bounty to which became entitled. And his heirs about the year 1834 was granted an allowance for 1333½ acres, as the remainder of the original Bounty. Your memorialist is advised and verily believes that his said Father became entitled by the laws of the Commonwealth of Virginia to 5333½ acres of Land as his original Bounty for six years service. And to a further quantity of one sixth of the original Bounty, for
every years service over six years.

Your memorialist for the evidence in support of the alleged service will refer to that contained in the Army Register of Virginia and Navy Journals at the City of Richmond as well as that which is on file in the office of the Executive Department in said City.

Your memorialist believing it to be his right to apply for that which said Officer is honourably earned by near Eight years actual Service Respectfully ask the Executive of the Commonwealth of Virginia, that an allowance may be granted for the additional Bounty Land to which said Officer became entitled by the laws of Virginia, on account of his long and arduous service in the state navy of said Commonwealth. And this he will ever pray. I have the honor to be/ Most Respectfully

Your Obt Servt
