He states that he entered the Militia Service of the United States, and served different campaigns under different officers, and served for different periods as herein after stated.

He premises that he is very old and his memory much impaired, and as a matter of course his recollection of events much clouded. he does not doubt he will confound dates & events, and must trust more to the Testimony of his comrades in arms than his own capability in giving dates, names or events to establish his services.

He first Marched under Capt. John Leland from Culpepper Court house Virginia, went to York in Pennsylvania, & thence to Philadelphia, was in the service three months. He then served under Capt. Lewis Yancey, starting from Culpepper Courthouse Virginia, served three months before discharged, but did not reach home within the three months.

He next served under Capt. John Tate a Tour of three months starting again from Culpepper. – He also served a tour of three months under Capt. Conn [probably Thomas Conn] and was he thinks stationed at Albemarle Barracks.

He also served a three months tour under Capt. George Johnson, starting again from Culpepper Court House. – He also served another tour of three months under Capt. James Browning starting again from Culpepper Court House.

that in the whole he was not less than eighteen months in service as a private and for such service he claims a pension – He recollects that besides York & Philadelphia, he was at Richmond, Petersburg, and Cabin Point [in Surry County VA], but at what dates or under whose command he was at those different points he does not recollect. He states that he had two Cols. Slaughter [George Slaughter and John Slaughter] during the time, both residents of Culpepper Virginia – Edward Stevens was one of the Generals, but whether a Brigade of Major General he does not know. – He states that he had discharges evidencing his services and preserved them for many years but has lost them. – He removed from Virginia about twenty six years ago and has been a resident of Madison County Kentucky ever since. – That he can prove his services in part by John A. Wright [pension application S17214] whose affidavit is hereto attached and Robert Covington [W2067] his former neighbour in Virginia, and does not know of any other person whose testimony he can procure. That Thomas Ballew a clergyman and Isaac Duncan all his neighbours can testify concerning him.

He hereby relinquishes every claim whatever to a pension or annuity except the present, and he declares that his name is not on the Pension Roll of any agency in any State or elsewhere.
