The Declaration of Benjamin Butler a Citizen and resident of the County of Henderson in the State of Tennessee in order to obtain the benefits of the provisions of the Act of Congress passed June 7th 1832.

On the 15th day of April 1834 pensioner appeared Benjamin Butler ages sixty nine years on the 7th day of January last who being first duly sworn according to law doth on his oath make the following Declaration in order to obtain the benefits of the provision of trhe Act of Congress proposed 6-7-1832:

This Declarant states that in the month of February 1781 the day of the month not now recollected he entered service of the United States as a Private drafted Militia Soldier from the County of Culpepper [sic, Culpeper] in the State of Virginia for the term of three months in the Regiment of Culpepper Militia commanded by Colonel James
Slaughter, his Captain was John Ward, his Lieutenant was by the name of William Lightfoot, his Major was Phillip Lightfoot. This regiment marched from Culpepper Co and joined General Mulenburg [sic, Peter Muhlenberg, also spelled Muhlenburg] Brigade below Sandy Point on James River moving before and joined General Mulenburg fallen in with several Regiments at Fredrickburg at Sandy Point we crossed James River and marched on to Petersburg upon the Appomatix [sic, Appomattox] where we had a Battle and were compelled to retreat to Chesterfield Court House from thence we crossed James River and marched above Richmond marched on below Richmond and was joined by General Edward Stevens Brigade. General Mulenburg’s Brigade marched on back to James River after the Battle of Petersburg as well as this Declarant now recollect and from which Colonel Slaughter regiment separated and debeached as before stated and marched on to Richmond from thence we moved on above the town twenty or thirty mile, being closely pursued by the enemy where we were discharged having been relieved by other troops. The Regiment and officers of whom they being militia I have now no recollection of. This Declarant states that he was discharged by Colonel James Slaughter his Colonel as before stated above testimonies and which discharge he has long since lost since supposing that it would have been of any benefit to him. This tour of service lasted three months.

This decendant states on his return to Culpepper County the place of his nativity he was in the month of June 7 of the same year 1781 again drafted for the term of three months into the Regiment of Culpepper Militia as a Private militia soldier and which regiment was commanded by Col. John Slaughter, the Brother of his former Colonel, his Major was by the name of Gabriel Long, his Capt was by the name of ____ Yancy [Yancey?], his Lieutenant was by the name of James Brooks. This regiment marched in from Culpepper and joined the main army of America and France below Richmond on James River. The Regular Generals of the army General Wahington Commander in Chief, Count Rochambeau, The Marquis de Lafayette the other officers has now no recollection. This declarant having served only on month in the regiment of Volunteers under the command of Colonel – [illegible word] Major Gabriel Long also volunteered and was our Major. William Broadus was our other Major. This declarant states that he had no recollection of any of his other officers for the men comprising this regiment acted all together as scouts and the companies of the same were alternately commanded by different officers. This declarant was in the Regiment for two months it being the balance of the term of his term three month tour. This Regiment was detailed off and marched to Williamsburg it being a regiment of scouts it was constantly on the march and can not be said to be stationary at any one point. Below Williams Burgh we again joined the Grand Army of America and France and marched on to Little York Virginia when the regiment joined the Grand Army at or below Williamsburg his second Tour of three months had expired.

In the latter part of August or first of September the Declarant again entered into service of the US below Williamsburg as a substitute for his Brother William Butler as a Private soldier but the Regiment or the Colonel of the regiment not now recollected. The Majors of this regiment were Welch and Hardiman¹. In this regiment, this declarant states that he only served two months having been taken sick at Little York and sent home whether with or without a discharge he does not recollect. He states that he was at

the Siege of Little York where the army of his Country gloriously triumphed over the enemy. In those three tours this Declarant served only as Militia Private Soldier. This Declarant states that there is no clergyman residing in his neighborhood nor does he know of any who can testify as to his reputation of being a Soldier of the Revolution. He has therefore applied to two respectable citizens of high credibility when he prays may satisfy the war Department to wit.

He hereby relinquishes every claim to a pension or annuity whatever except the present and declares that his name is not on the Pension Roll of any state sworn and subscribed to the days and your aforesaid.
