Personally appeared before me George White, who being duly sworn, deposeth & sayeth that by reason of old age & the consequent loss of memory he cannot swear positively as to the precise length of time of his service but according to the best of his recollection he served not less than the periods & at the times above mentioned, & in the grades as stated. This applicant further stateth, that he does not know of any surviving witness who can prove his services as a drafted militia man for 3 months, & as a volunteer [illegible word] man for 4 weeks, unless the impressions of very early life have retained for him & his services a place in the recollections of his Excellency the President of the U. States [Andrew Jackson, raised in Waxhaws Settlement SC]. [signed 18 Jan 1836] George White

State of Georgia } Declaration of George White accompanying his petition, in order to
McIntosh County } obtain the benefit of the act of Congress of the 7th June 1832
On this [blank] day of [blank] personally appeared before the Judges of the [blank] George White a resident of McIntosh County, State of Georgia, aged seventy-five years, who being first duly sworn according to law, doth on his oath make the following declaration, in order to obtain the benefit of the provisions made by the act of Congress, passed June 7th 1832. that he was drafted in February 1777 for 3 months & served in the Militia of S. Carolina as a private, during that time, the company he served in was drafted from the Waxhaws, Lancaster Dist. So. Ca. and
commanded by Capt. Robt. Crawford; 1st Lieut. John Drennan, 2nd Lieut James Crawford. This company joined a regiment at Camden S.C. commanded by Col. Jos. Kershaw, and was attached to the battalion commanded by Lieut. Col. Eli Kershaw [Ely Kershaw]. The regiment was marched to the Savannah river, was at Augusta, and then joined the forces of Gen. Williams or Williamson. (The deponent is not certain of the name. [Probably Col. James Williams]) Soon after this, Col. Kershaw's regiment was ordered on into Georgia. They crossed the Savannah River at Beach Island, and at Briar Creek [sic: probably at the Crossroads, Beech Island in present Aiken County SC, 21 Mar 1779], defeated a party of Tories & Indians that was commanded by Henry Sharp & Major Spergen [William Spurgin]. From Briar Creek, the regiment returned to S.C. and marched to Stono river Ashley River, and was engaged in that battle [sic: Battle of Stono Ferry, 20 Jun 1779]. At that engagement this deponent was with the baggage guard. From Stono the regiment marched to Ashley river, and then returned home. After this the deponent volunteered with 14 other young men, who were commanded by a gentleman from Virginia, (Lieut[.] Reeves he thinks) to guard the prisoners confined in Camden, where he served about 4 weeks. (the deponent cannot specify particularly when this service was rendered, by reason of the loss of memory.) The prisoners were moved from Camden by Col. Beaufort [sic: Abraham Buford], upon hearing of the fall of Charleston [12 May 1780], and immediately before he was defeated by Col. Tarlton [sic: by Lt. Col. Banastre Tarleton at the Battle of Waxhaws SC, 29 May 1780]. In the spring of 1780 (the date the applicant cannot specify) this deponent joined Maj. White of N. Carolina, near Mecklenburgh [sic: Mecklenburg] and was attached to a company commanded by Capt. Fabian, as a private. About one week after deponent joined Maj. White, he met with Gen. Sumpter [sic: Thomas Sumter] at Beatty's ford [Beattie's Ford], on the Catawba river, & with the other S. Carolinians joined General Sumpter. From Beatty's for Gen. Sumpter marched to the Waxhaws, & deponent joined his old company as a private, which was now commanded by Capt John Drennan, 1st Lieut Hugh White, 2nd Lieut James Crawford. This company was attached to Maj. Thompson's [William "Danger" Thomson's] battalion. Deponent continued in Capt Drennan's company, until Sumpter's defeat on Fishing Creek [18 Aug 1780], Capt. D.'s company was then dispersed, & soon after this, deponent thinks in Dec 1780 or January 1781, he enlisted in the State troops of S. Ca. under Col [Wade] Hampton, in General Sumpter's brigade, and was employed as a Saddler to the regiment and served as such until the end of the war. He enlisted for one year, but thinks he served much longer than one year. the deponent George White, hereby relinquishes every claim whatever, to a pension, or an annuity except the present, & he declares that his name is not on the pension roll of any agency in any state. Sworn to & subscribed the day & year aforesaid. [signed] George White
