NOTE: A letter dated 18 May 1857 states that Thomas Harris “was married three times say in 1787 in 1800 and lastly in 1809 – he died in Octo. 1831 – his last wife survived him and died in 1840.” A second letter on the same matter from a son in Petersburg Va., dated 16 March 1859 adds further information: “Thomas Harris of Prince George County Virginia was pensioned at the rate of $96 p.yr. under the act of 18 March 1818, but was suspended under the act of May 1820 [which required proof of need]. The act of 7th June 1832 (altho he died in October 1831) let him in again from the 4th March 1831 for some 7 or 8 months pay – but he had not claimed it – my mother died in Sept. 1840 without having claimed it. We the
children have been before informed that we could get the amount that he could have gotten from March to October 1831 – under the 2d Section of the act of the 4th July 1836– but the question arises whether it would be worth applying for after Court expenses– we wish therefore you will be pleased to inform us for the amount that would be coming….”
