State of Kentucky  
Perry County Sct  } SS.

On this 24th day of December 1833, personally appeared before me [Andrew Willson] a Justice of the peace for Perry County now sitting Thomas Howard a resident in the county of Perry and state of Kentucky aged eighty three years who being first duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the act of Congress passed June 7, 1832 that he entered the service of the United States under the following named officers and served as herein stated, under Col John Montgomery [sic: John Montgomery] Captain Jesse Evans [pension application S15826] Leutienant Anthony Crockett in the state of Virginia in the county of Montgomery [sic: Montgomery] on the – day of June in the year 1778 for three years – from Mong’y the army all met at the Long Isl’ds of Holstien [sic: Long Islands of the Holston River at present Kingsport TN], and went down that river to the Tennessee, to the Ohio to the Mississippi, up to the mouth of the Illinois river and up it to Kaskasia [sic: Kaskaskia] river. remained there for some time. we marched to Vincennes on the Wabash river, &[?] this applicant remained till the Spring of 1779. during which time, the portion of the troops had several small fights with the Indians, and in the month of July 1779. we marched across to the falls [Falls of the Ohio River at present Louisville] where Col Clarkes [sic: George Rogers Clark’s] Regiment had assembled and was stationed he was some times called Gen Clark, he remained here until next year at the falls, and remained here until during that summer he accompanied the army to Piccaway [sic: Piqua] where the battle ensued between Gen Clark and the Indians [8 Aug 1780] Gen Clarks Regt and the Kentucky forces entirely overcame them during this year 1780. the Indians had attacked bonsboro [sic: Boonesborough KY], had killed several men, one near Lexington and one on Licking River, and had taken riddle fort [sic: Ruddle’s Station, early May 1780], he forgot to mention that during the year 1778. over on the waters of the Miamis [sic: Great and Little Miami rivers in Ohio] we took an Indian Town the name of which this applicant cant remember. after the battle at Piccaway this applicant went back with the most of the troops to the falls and here staid until next April 1781. four companies then marched up on the Kentucky side to where cincinnatti now stands and the Americans built two block houses on the Cincinnati side and two or rather repaired one & built one on the other during the battle at Piccay he deems it proper to state that A Crockett receiv’d several wounds from the Indians – he will not swear as to dates but believes it was in June 1781 he received his discharge – during 1780. 1779. many small affairs took place between the Indians and the Kentucky settlements and often the troops were attacked on passing between Hardonburg [sic: probably Harrodsburg KY] and some killed, the Cannadians and french creoles, and Indians all joined to lay waste the settlements in Kentucky – [See note below.] after receiving his discharge for three years he returned with his brother [James Howard S31139], and several to Montgomery county Va where he lived until he came to Licking where he now resides. He lost his discharge, or done something with it, it has been fifty years since he seen it. in fact and truth he does not know what has become of it – he was promised land when he enlisted which he never got. He has no documentary evidence in his favor, but is certain his name his name is on the pay roll at the board of war. He knew he thinks one or two Regular officers in the continental service, To wit Col. [Joseph] Crockett from Shaneydoy [sic: Shenandoah] county Va I allways understood he was a regular officer, he came to the falls from Fort Pitt, during the year 1779. or 80. with a Regt from Va, he knew Col Benj. Logan [Benjamin Logan] of Kentucky, Col Mongomery Gen Clark, Col Bomar [probably Bowman] and Major Bomar. Major Hugh McGany of Ky, Col Canniday Capt Benton and
Col Hart, he knew Col [William] Preston of Va, He hereby relinquishes every claim whatever to a pension or annuity except the present and declares his name is not on the pension roll of the agency of any state – Sworn to and subscribed the day and year afores’d  [signed] Thomas Howard [William Caffie, clergyman, and James Howard certified the age and reputation of Thomas Howard as a soldier of the Revolution.]

Qu’t 1st
Where and in what year were you born?
Ans. I was born in Georgia (in Wilkes county now) on the 8th day of June 1750.

2d Qu
Have you any record of your age and if so where is it?
Ans I have now record at my house or elsewhere that I know of but know my age from my father having set down my age in a book and having seen it often

3rd Qu.
Where were you living when called into service; where have you lived since the Revolutionary war, and where do you now live?
Ans. In Montgomery county Virginia – and moved here thirty seven years since the Revolutionary war and I now live in Perry county Kentucky it was a new county formed out of Floyd, and Clay counties. the place where I now live on was formed in Floyd –

4th.
How were you called into service, where you drafted did you volunteer or were you a substitute and if a substitute for whom?
Ans. I was enlisted for three years and promised land when I enlisted which I never got in my life–

5th
State the names of some of the Regular officers who were with the troops when you served, such continental and militia Regiments as you can recollect, and the general circumstances of your service.
Ans. I know many officers’s names that served but cannot distinguish who were regulars and who were not. fifty years or more has passed by since the service was rendered by me and being physically defective and very old I may be easily mistaken. There was Gen Clarke who was commander, Col. Bomar he was a militia Col. for I knew him in Virginia before he came to Kentucky. Col Montgomery also there was a Col Crockett from Shamedoah perhaps was a regular officer. Col. Logan lived in Ky not far from Harodsbarg as I understood and Hugh McGairy a Maj. and in Ky some where. There was several Militia Regiments along when I first went to Kaskasia, and when the army took an indian town called opost [Vincennes], I however was not along when the main fight took place. and also when we whipt the Indians at piccaway on the Miamis–

the general circumstances of my service are fully stated in the declaration it is a matter of impossibility to remember everything or is it necessary to mention every account that occured during the service, a minute detail would swell this statement to many pages – However my self and Brother James agreed to enlist for three years in Virginia and done so under the promise of land &[?] our father having been murdered by the indians and everything taken from us we went from low down on New River, and enlisted. neither of us having families, we marched from Montgomery to the Long Islands of Holstun, and there took boats and decended the River till we came to Tennessee river we went down Tennessee to Ohio river After coming up the Mississippi river to the mouth of Ohio the Tennessee goes into the Mississippi, we went up that river to the mouth of Illinois river, and to Kaskacia where we remained for some time, next year went to the falls, and remained there for some time Clarke had fixed this place as his head quarters, as most wuitable to afford the settlers in Kentucky most benefit, and protection from the Indians. We staid some time at Vincennes on the Wabash, before we went to the falls and marched across the cuntry. I was in the battle at Piccaway and served out my time, and got an honorable discharge.
6.
Did you ever receive a discharge from the service, and if so by whom was it signed and what has become of it?
An I did it was signed by Clarke he thinks it was certainly not signed by my first Let. for he was not there then. I cannot say one or the other what has become of the discharge for after I did not get my land that I was promised in Kentucky I never took any more care of it.

7
State the names of persons to whom you are known in your present neighborhood, and who can testify as to your character for veracity and their belief of your services as a soldier of the revolution
Ans. There is the Rev’d. Wm. Caffee. Rev’d Danel Duff. Andrew Wilson Tho Higins, Col John & Majer Henly Hadin by whom he can also establish his enlistment by although they were not soldiers in the Revolution and my brother James who served three years with me.

Perry County  Sct  [27 Dec 1833]
James Howard an aged man aged eighty one years states that he knows of the service of Thomas Howard his brother during the Revolution, that he served three years as stated in his declaration and was discharged by his Capt. in Ky. and further this deponent saith not.

Prestonsburge Floyd County Ky Febuary 11th 1842
Dear sir some six or eight years since I wrote to the head of your department on the subject of fraudulent pensions in this section of the government there was two cases that was glaring and certenly fraudulent I mean the cases of Thomas and James Howard. these two cases led to the suspection of other to that of Edward Darton Boswell Castle & Joseph Daviss whitch ware all stoped the 6th of august 1835 I suppose from the information the department receved from me Sir the three latter cases of that of Dorton Castle and Davis the men live about twenty or twenty five miles from where I do about the last of november last I was in the nabourhood on the hunt of some work cattle I stoped in at the house of Darton and found him sitting in his chair a cripple not able to get about without help and his wife stone bline I thought of the subject and raised a conversation with the old lady upon the subject of the revolutionarry war she spoke sensibly of the servises of hir husband and of Castle & Davis she she thoughtroly convinced me that the suspection that was against
them was rong and sir I do much regrett that it was in and throug me they ware cut out of thare rights but sir I am contious that I was guided by no improper motive my father was a member of the revolution and his Blood mingled amongst the martes of that scane and I feel it a duty that I owe to my goverment to detect frauds against it and likewise I feel it a duty that I owe to my fellow man if I have by mistaken notion or otherwise done them a rong to rectify it. sir they do not know to this Day that I was the cause of thair pentions being stoped and sir it would gratify my feelings very much for them to be restored againe I mean the three latter casses as I do assure you that I would be the last to do an injury to a War warn patriot in his last days plese let me hear from you Respectfully yours/ [signed] David K Harris

being first duly sworn according to Law Doth on his oath make the following Declaration in order to
be reinstated on the Pension list under the act of Congress of the 7th of June 1832 That He! was a
Revolutionary Soldier and did draw a Pension until the year 1835 – at the rate of eighty dollars per

Honorable Commissioner of Pensions to cause it to be allowed to Him and that the Certificate
evidencing the same may be forwarded to his Attorney Isaac H Trabue of Frankfort Kentucky [power

NOTES:

In the 1840 federal census of Morgan County KY Thomas Howard is listed as age 70-80. In the
federal census taken in Morgan County on 1 Aug 1850 Thomas Howard is said to have been 80 years
old and born in North Carolina, living with Francis Howard, age 71 and born in Virginia.

“The Cannadians and french creoles, and Indians all joined to lay waste the settlements in
Kentucky” probably refers to attacks in 1780 by an army mostly of Indians but possibly including
French Canadians, all under the command of British Col. Alexander McKee from Detroit.

Compare the application of Thomas Howard’s brother, James (S31139).

On 1 Oct 1853 Franky Howard of Morgan County, aged 71 in the following March, applied
for a pension stating that she married Thomas Howard in Washington County VA 1794, and he died
from pleurisy in Morgan County on 27 Jan 1853. On 4 April 1855 at age 76 she stated that she was
married to Thomas Howard in the fall when she was 15. On 5 April 1855 Reuben Arnett, 69, stated
that the maiden name of Franky Howard was Franky Jackson. On the same day Michael Rimer, 80,
stated that Franky Jackson was married to Thomas Howard by a man named Anderson in Russell
County VA. On 2 Dec 1871 Mrs. Frances Howard, 90, of Magoffin County KY, applied for a pension
declaring that she married Thomas Howard on or about 15 Aug 1796 in Washington County VA, and
that he was a pensioner at the time of his death.
