Pension Application of William Gill (Gills) W7521 Mary Gill VA
Transcribed and annotated by C. Leon Harris.

State of Virginia: Buckingham County to wit:

On this 1st day of September, 1840, personally appeared before me a Justice of the peace in and for the County and State aforesaid Mary Gill, a resident of said County and State, aged 80 years, who being first duly sworn according to law, doth on her oath make the following Declaration in order to obtain the benefit of the provision made by the Act of Congress, passed July 7th 1838, entitled “An Act granting half pay and pensions to certain Widows.”

That she is the Widow of William Gill or Gills, (for the name is differently spelt) deceased, late of the said County and State, who was a private in the Continental and Militia service of Virginia, in the War of the Revolution. She declares that she knows nothing personally in regard to the services of her late husband having married him after the close of the Revolutionary War. All that she does know, is from his own statements during his life time, and from the statement of others. She always understood from him that in the year 1776, he enlisted under Capt [John] Brent, for the term of two years, in the Virginia Continental line. That he was also drafted in the Militia, and served at Guilford [Battle of Guilford Courthouse NC, 15 Mar 1781], Yorktown [Siege, 28 Sep - 19 Oct 1781], and various other places. She cannot state with any degree of precision how long he was in actual service altogether but would suppose he served at the least two years, for which length of time she claims a Pension. She refers to the Public Records and accompanying Certificates for proof of his services.

She further declares that she was married to the said William Gill, or Gills by old parson McCrae of the old Episcopal Church, according to the rites and ceremonies of that Church, on the 5th day of February 1784; that her husband the aforesaid William Gills died on the 4th day of February, 1816: That she was not married to him prior to his leaving the services, but the marriage took place previous to the first day of January, seventeen hundred and ninety four: to wit, at the time above named.
